### Candace Loves to pance.

UT WHEN HER MOTHER SIGNS HER UP for ballet lessons, Candace is more interested in shakes and shimmies than in the plies and pas de bourreés that Miss Grace is trying to teach her.

On show night, Candace's tutu is tailored and her bun is beautiful, but her tummy is a rumbly mess. When disaster strikes on stage, Candace steps up and saves the day by doing what she does best—being Candace.

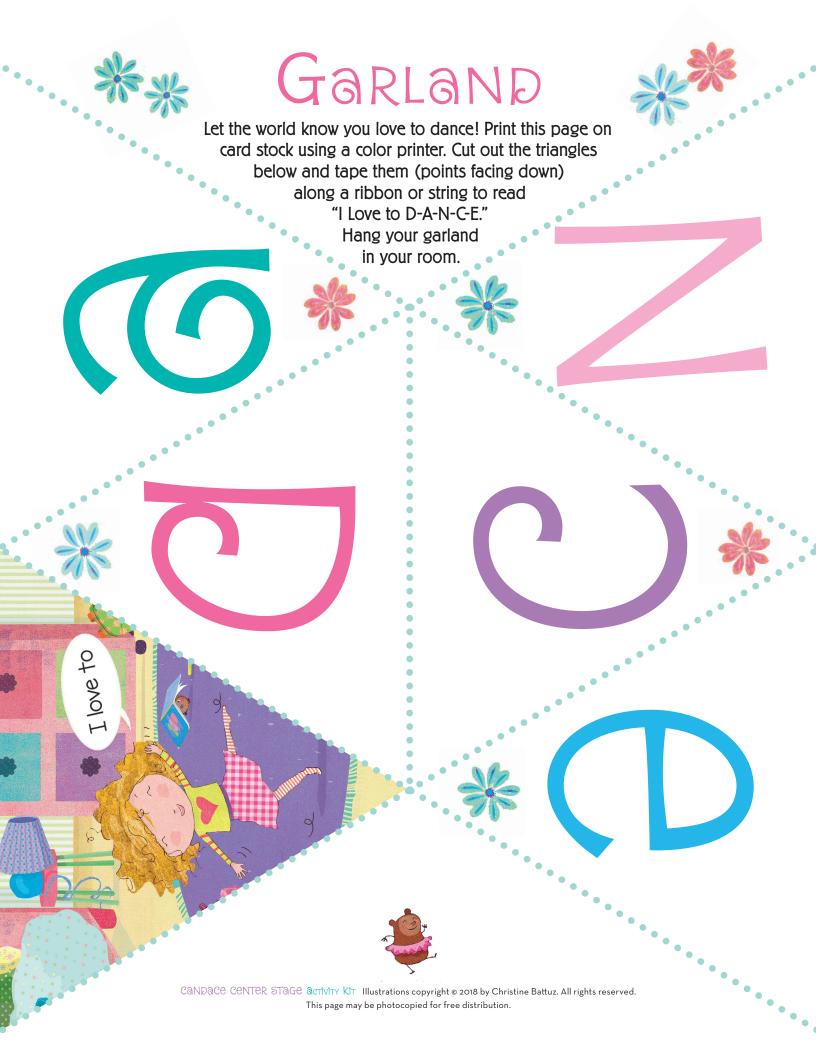

In Candace Center Stage, author Candace Cameron Bure, beloved by millions worldwide for her role as D.J. Tanner on the iconic family sitcoms *Full House* and *Fuller House*, tells a charming tale that encourages children to embrace who they are.

## Recital Time

Invite your family and friends to your very own dance recital. You don't need to dance perfectly, you just need to be yourself!

Candace loves to whirl and twirl and twist and turn while dancing! Can you find her dancing path from start to finish?

## Dancing Canpace

#### Make these spinning puppets and dance with Candace!

Cut out the dancing
Candaces along the solid
pink lines. Tape the top of
a pencil or chopstick to
the back of side 1, behind
Candace's head and feet.
Fold where indicated and
tape side 2 to the back of
side 1. Put the exposed
part of the pencil or
chopstick between your
palms and rub your hands
back-and-forth together.
Watch Candace spin!

## Decorate the Tutu

Dancers love their costumes! Design your very own tutu!
